

New Frisco Recreation & Aquatic Facility – Public Meeting
Thursday, December 11th
Frisco Municipal Complex
6:30 p.m.

The Parks & Recreation Department would like to invite our citizens to discuss the new Frisco Recreation & Aquatic Center project. The meeting will take place on Thursday, December 11th at 6:30 p.m. at the Frisco Municipal Complex located at 8750 McKinney Road.

This meeting will address the goals, expectations and program for the facility. The “program” for the center includes the features and elements that might be included in the project. The public is encouraged to play a role in this exciting project.

During the bond election in September of 2001, the citizens of Frisco approved \$20M to build a Recreation & Aquatic Center. On November 18th, the City Council voted on and approved the city acquiring the location for the facility. The 17-acre site is located south of Wade Blvd. and east of Preston Road.

The city has selected F&S Partners as the architectural firm while Lee Lewis Construction has been selected to be the Construction Manager at Risk. Representatives from both F&S Partners and Lee Lewis Construction will participate in the meeting.

The regularly scheduled Parks and Recreation Board meeting will begin at the conclusion of this discussion at approximately 7:30 p.m.
